Sir,

I am enclosing herewith a statement showing the survey numbers belonging to Chikkanaikanahalli Pasaba required to be reserved for forming sites

Chikkanaikanahalli Town due to congestion is very often rendered unhealthy, visited frequently with infections diseases like plague and small pox The survey numbers, noted in the statement have to be acquired and formed into sites primarily with a view to removing the congestion and to provide housing accommodation mostly to the poor classes of townsmen who are in real need of them

A handful of rich and influential gentlemen of Chikkanaikanahalli are attempting to construct some buildings for other than dwelling purposes in several of these survey numbers leaving thereby no scope to the poor needy persons to possess sites Besides, they are selling bits of these survey numbers as house sites to others at abnormally high prices

The financial position of the municipality is too meagre to bear the cost of acquisition of these survey numbers I am separately addressing Government for sanctioning grants for this purpose

In the meanwhile, it is very necessary to prevent

prevent speculative persons from putting up structures and to reserve the said survey numbers so that they may be acquired and formed into sites I, therefore, request that a notification under section 110 of the Town Municipalities Act be kindly caused to be issued prohibiting the construction of buildings in the areas noted in the enclosed list except with the permission of the Deputy Commissioner and subject to conditions as may be imposed in each case

Additional information whether all these survey numbers are in the municipal limits or not, or any of them belong to village panchayet will be obtained and sent to you in due course A sketch will also be obtained and sent It has however, to be stated that these survey numbers are adjoining the Town Some owners of these survey numbers are now reported to be constructing compound walls and other structures even during night times They are doing so to render the acquisition proceedings complicated and protracted Therefore, it is my most earnest request to Government, solely in the interest of the poor people, that a notification under Section 110 be issued most urgently

Yours faithfully,

Subj Acquisition of certain S Nos in Chickmagalkamalalli – prohibitory order under Sec 110 of the T M Act

Sir

With reference to your letter No A2 e 3028/63 of 21-9-68 on the above subject, I am directed to state that, before a notification under Sec 110 of the T M Act is issued, it is necessary to consult the M C specifically on the point of prohibiting the Construction of buildings on the said S Nos as required there in the boundaries of the area condemned off from being Constructed upon, have to be definitely specified. Hence a Sketch of the lands, together with the boundaries thereof and the villages or villages to which they belong may be sent with a definite resolution of the M C also. Further, I am to enquire whether the lands said to have been

~~Obtained~~ alienated infavour of M/s C S Shanmukh, S R. Annadanayak and C B. Mallappa for building purposes have been converted for non agricultural purposes by paying the conversion fine. If not, they may be included in the notification proposed to be ~~issued~~ issued. It is however to point out that it appears to be better to ~~adopt~~ take up the acquisition proceedings as resolved by the M.L.C. expeditiously under Sec 17 of the ~~Land~~ Act instead of adopting the tortuous course proposed to above

~~The above information may be sent very early~~ further action may be taken accordingly necessary

To

The Secretary to Govt of Mysore,
General Department, Bangalore

Sir,

Acquisition of land in S No 155 and 156 of Chiknaikanahalli Town for town extension

==00==

With reference to the letter No J 3803 dated 13-10-1948 of the Secretariat to Government, Revenue Department, Bangalore, on the above subject, I have the honor to forward herewith proposals under Section 17 of the Land Acquisition Act for acquiring land in S No 155 and portion of S No 156 of Chiknaikanahalli town for town extension and to state as follows -

S No 155 is 6 acres 24 guntas including bhut kharab portion of 36 guntas There are certain substantial buildings in S No 155 belonging to Sri C S Thammaiya and others as shown in the enclosed sketch A total extent of 17 guntas covered by these houses is excluded and the net area proposed to be acquired is 5 acres-11 guntas as per details noted in the margin*

	A G
Total area	6- 24
Bhut kharab	0- 36
Remaining extent	5-28
Extent covered by houses	0-17
Net area	5-11

Out of S No 156, an extent of 12 guntas is proposed to be acquired excluding the northern portion which is found to be unfit on account of irrigation well and garden

The Municipality has deposited the cost of acquisition and the proposals are covered by the Council's resolution

In this connection a number of objection petitions have been sent up by Sri C S Thammiah and a few others of Chiknaikanahalli town against the acquisition of S No 155 The so many others who have signed some of these objection petitions have done so not knowing the contents of them

In one or two of the petitions it is alleged that in the land just adjacent to the shandy maidan belonging to Sri C P Rajaiah Setty President of the Municipal Council a building has been constructed even without applying for conversion and that the Amildar has allowed such construction without recovering conversion fine This is irrelevant to the matter under disposal However, separate action will be taken if necessary regarding this Secondly, it is alleged that the Amildar is taking action under T T against Sri G R Annadanaiah, Sri R Seshadraiya for having put up compound wall in S No 155 and against Sri C L Krishna murthy for having put up a temporary shed etc in S No 155 on account of plague in the town, that certain people have purchased bits of land out of S No 155 and that conversion in their favour has not been sanctioned though they have paid conversion fine and that against those who have constructed houses without obtaining orders no action has been taken It is not true that structures put up are temporary sheds and on account of plague in the town Substantial buildings have been constructed by Sri Annadanaiah, C L Krishnamurthy, Seshadraiah and others Action has been taken by the Amildar under T T against unauthorised constructions on the Revenue side The alienation of these bits will have to be sanctioned in due course Substantial houses built in S No 155 after due alienation and under a license from the Municipality are excluded from being acquired As regards sites purchased in S No 155 by the several persons, their cases will be considered as favourably as is necessary and possible by the Municipality after acquiring it and laying out sites Regarding the applications of Sri C L Krishnamurthy & Seshadraiya stating that they have no sites elsewhere & that they are in need of houses etc., I am to state that these cases will be considered after acquiring the land and laying out the same into sites It is alleged that in the -

northern

northern portion of the town 73 sites were acquired about 30 years ago and that they were allowed to lie waste and that there is no necessity to acquire any fresh land The President says that water will not be tapped in wells in this area unless they are dug very deep, that it is situated in a corner of the town that the only well from which they can draw water is more than a mile distant from its ~~further~~ farthest corner and that therefore these sites are unsuited for building houses

All the allegations made against the President are the outcome of ill will between the President and Sri C S Thammaiya The allegations are frivolous and the objections raised by them against acquiring S No 105 are far-fetched and inconsistent

The situation obtaining at Chiknaikanahalli town and the necessity for acquisition S No 105 are as follows -

S No 105 is situated along Chiknaikanahalli-Tullyar road and adjoins the busiest and most important part of the town The sites therein are suited mostly for non-dwelling purposes i e shops and other industrial purposes Therefore there is keen demand for sites in this S No Taking advantage of it the owner Sri C S Thammiah has sold and is selling away bits of land out of it at high prices, Besides, he is selling land out of it to his own undivided family members at very high prices with the determined object of preventing the Municipality from acquiring it or to make out a case for securing exhorbitant compensation It is to gain his selfish ends which is supreme in him that he is writing all these petitions with a view to prevent the Municipality from acquiring the land Moreover, people who have purchased sites in it and also the owner are about to construct buildings in an irregular and haphazard manner and thus render the town planing difficult, ugly and insanitary and unhealthy Further, the owner is about to dispose of the remaining land without leaving any space for roads and conservancy lane and other public purposes It is a ~~burden~~ bounden duty on the part of the Municipality to afford sites

to

to the most deserving and needy applicants and to enforce the construction of houses according to a well laid out plan thereby preventing construction of houses in an irregular fashion The intentions of the Municipality in acquiring the land is genuine and in the best interests of all concerned

Sri C S Thammiah has stated in one of his petitions that he wants to construct a weaving school My confidential enquiries disclose that his real intention is to convert the so called weaving hall into a cinema theatre in due course It is also an open talk in this town A certain person in Madhugiri Town obtained a license for building a weaving hall and has subsecuently converted the same into a theatre I am afraid that Sri C S Thammiah will also do similarly However without being prejudiced by this apprehension, the request of Sri C S Thammiah for a site for a weaving hall will be considered after acquiring the land and while laying it out into sites

It is also alleged that permission is granted to Sri Pattabhirama Setti uncle of Sri C P Rajaiah Setty for construction of a cinema theatre in S No 154 Although there was a resolution of the Council in favour of granting license, the President wrote to me confidentially not to sanction the alienation Besides, the land is situated by the side of the Veterinary hospital and is required for the extension of the Veterinary dispensary Hence the application of Sri Pattabhirama Setty to convert the land for a cinema theatre was rejected

Even if sites are required for construction of weaving school, physical culture institute and a cinema theatre, due provision will be made at the time of formation of sites and to their disposal on merits The cases of the owners of sites, and other owner of the land will be considered favourably by the Municipality after acquiring the land and laying out the sites

By acquiring the land and disposing of the sites the Municipality derives a share of the profit which is necessary for it to afford necessary civic amenities such as light water- supply etc

The Minister for Local Self Government, when he visited Chikmaikanahalli on the 10th instant was pleased to inspect the land and make enquiries into the objections raised by Sri C S Thammaiya against the acquisition of S No 155

In the circumstances detailed above, it is very necessary that S No 155 and portion of S No 156 should be acquired under Section 17 of the Land Acquisition Act Hence I request that sanction of Government may kindly be obtained for the proposal sent herewith

The draft notifications under Section 17 of the Land Accuisition Act and petitions and other records are enclosed herewith for kind perusal

Yours faithfully,

Deputy Commissioner,
